FAYETTEVILLE, TENNESSEE!

Thursday Morning, March 2 1876.

A If Congress had the appropriation, has it not an cqual unconstitutional right to pass any other appropriation? If the Constitution is no longer the limit of congressional power, what rights has any man in the whole country except such as he holds subject to the good will of Congress? If the constitution is henceforth to be on situation is henceforth to be onstitution is henceforth to be onstitution is henceforth to be onstitution there is no government.
